Prayer:

- Please continue to pray for Michelle Black, who is now out of hospital so we give thanks to God, but she is still quite unwell.
- Please pray for wisdom and inspiration as we all seek to share the love of Jesus through Advent, and for the CHBC leaders as they decide on how to run our Christmas services.
- Please continue to pray for the building project application – that the complexities of the planning process will be navigated, for wisdom and guidance particularly for the architects, James, and the council planning group.

Thanksgiving offering – thank you to everyone who supported the thanksgiving offering last month. The total donated was £2767. As you know the church finances have been affected by a loss in offerings and hall rental over the last 9 months, so this will help to support CHBC through this time.

Foodbank. Thank you for your continued support. They were so pleased and thankful for the harvest donations. We continue to collect food through the year; they currently need tinned fruit, tea bags, chocolate and sweet treats, coffee, UHT milk, pasta sauce jars, tinned meat and fish.

Operation Christmas Child - Shoebox collection week will be 5-14th December.

Services in December – we are still awaiting final guidance from the Baptist Union of Great Britain, but we are hoping to re-open the church for Sunday worship next week. This will follow the same format as before with online booking and social distancing in place. We will be in touch with more details during the week.

Church meeting – thanks to everyone who attended the church meeting on Wednesday. Whilst it can be difficult on Zoom, it was good to see people and to be able to provide some information on the building application and other items.
