## **Prayer focus: Persecuted Christians**

At the start of this new year, please pray especially for our Christian brothers and sisters throughout the world; those who have turned to God in repentance and are trusting the Lord Jesus Christ for their salvation, but who are facing discrimination, persecution and even execution because of their faith. Ask God for His gracious protection over them; may He strengthen and uphold them, and may they find His enabling grace to be sufficient for all their needs.

As North Korea is set to be, once again, the most dangerous place in the world to follow Jesus, according to Open Doors' World Watch List, please pray fervently for our Christian brothers and sisters in North Korea, who live daily in extreme danger because of their love for the Lord Jesus Christ. May God give them His peace, that passes understanding, and may He take away all fear from their hearts.

For those in brutal prison labour camps, ask that God would give them all the grace they need to endure the harsh regime. May their patient fortitude be a witness that draws others to put their faith in the Lord Jesus Christ.

## **Please pray for:**

- Tony Eboji as he undergoes an operation in mid January. Please pray for Tony that it will be successful and he will make a full recovery, and also for Lisa and the family at this time.
- All those in our fellowship who are feeling isolated or anxious during the uncertainty of the pandemic.
- For Michelle Black that she would make a full recovery from Covid and fully regain her strength and health.

*If you have any items for prayer please send them to [office@chadbaptist.org.uk](mailto:office@chadbaptist.org.uk) or call the church office on 8983 8996 and leave a message.*
